MATHEBULA MICHAEL

ABOUT ME

I am a BSc Information Technology graduate from North-West University, where I earned my degree with distinction. I bring dedication, adaptability, and a genuine passion for learning and growth. Motivated by curiosity and a desire to solve meaningful problems, I'm eager to take on challenges and contribute through thoughtful, innovative solutions. Though my experience is limited, I believe my journey reflects the potential to grow and make a valuable impact with the right support.

EXPERIENCE

STUDENT ASSISTANT | NORTH-WEST UNIVERSITY |
Feb 2025 – current

- Assisting school staff in transitioning from Outlook to Microsoft Teams, enhancing data accessibility, communication.
- Conduct meetings with staff to provide guidance on using Microsoft Teams.
- Working with a team member to create a comprehensive guide for understanding Microsoft Teams.

EDUCATION

NORTH-WEST UNIVERSITY | POTCHEFSTROOM CAMPUS
Feb 2025 – current

- Achievements 1st year: 74% average with 5 distinctions
- Achievements 2nd year: 78% average with 10 distinctions
- Achievements Final year: 83% average with 7 distinctions

PROJECTS

STACKMASTERS-WEBAPP

- Led development of a cross-platform HMS T&L system with a React-based web app, and a unified Node.js backend with secure authentication and role-based access.
- Built RESTful APIs for secure login, user management, submission handling, and feedback export functionality using Express.js.
- Oversaw Docker-based containerization and Azure deployment, ensuring environment consistency and scalability.
